

## Sponsorship Opportunities

### Awards 2017

The Constructing Excellence in Wales awards are recognised across the Welsh built environment as the biggest and brightest celebration of best practice. They are a clear demonstration of the core strength of construction in Wales and the desire and commitment to deliver buildings, roads, bridges and facilities of all kinds in a collaborative and sustainable manner.

Over the last ten years the awards have grown to become one of the highlights of the business year, with over 500 people regularly turning out to witness the best of construction across Wales. This year we received over 100 high quality submissions from both the public and private sector across Wales.

The awards dinner next year will be take place on **Friday 14<sup>th</sup> July 2017**, at The Celtic Manor Resort, Newport. Winners are selected across 12 categories and go on to compete in the National Constructing Excellence Awards, held every year in the autumn.

The sponsorship packages available are detailed below with the benefits you will receive from supporting the categories.
