Help for the industry – from the industry

Wednesday 15th May 2013

Groundworks - **FREE Construction Safety and Health Awareness Day**

This is a **free** event run by the industry for the industry as part of the UK-wide Working Well Together (WWT) campaign.

The aim is not only to raise awareness of key health and safety issues facing the construction industry specific to your trade, but also to give practical advice on how to avoid risks on construction sites. In particular during the groundworks phase.

If you have a small building, construction or contracting company, or if you are self-employed then this **free** event is a **must**.

Free impartial advice available from the WWT industry partners.

There is no charge for the event so **BOOK NOW** as places are limited.

There is no dress code, site clothes are fine. All demonstrations are outside so wear warm/waterproof clothing and footwear appropriate for the weather.
