

# The programme

- 08.00 Registration, networking and breakfast  
*(Bacon and sausage sandwiches, pastries, coffee & tea)*
- 09.00 Launch address: Derek Drysdale
- 09.10 College address: Speaker TBC
- 09.20 Keynote speech 1:  
Graham Dalton *(Highways Agency)*
- 09.45 Coffee break & networking
- 10.10 **Small groups: Session 1**
- 10.50 **Small groups: Session 2**
- 11.30 Coffee break & networking
- 11.55 Special presentation by Peter Hansford  
*Government Chief Construction Adviser*
- 12.10 Special session by Professor Dan Jones  
*Learning Lean from the Construction Process*
- 12.25 Keynote speech 2:  
Mike Putnam *(Skanska)*
- 12.50 Lunch & networking
- 13.35 **Active networking session**
- 14.15 **Small groups: Session 3**
- 14.55 Keynote speech 3:  
Graeme Shaw *(TfL)*
- 15.20 Panel Q&A
- 15.55 Closing address: Brian Swain
- 16.00 Close

*You will find information on the people running the small groups sessions, and the session titles, on the next page.  
Please note: the programme is subject to change.*

# Small groups sessions

30th October 2014 - Birmingham Metropolitan College  
LCI-UK Summit 2014

Lean Infrastructure  
Meeting the challenges of  
Construction 2025

## Session 1

**Graham Dalton** (Highways Agency) - Keynote speaker 1: Title TBC  
**Zara Lamont** (Carillion): So What's holding Lean Implementation in Construction back?  
**Colin Reynall** (Programme Director, Costain Water Sector): Factory Thinking - Joined up asset thinking across asset lifecycle  
**Jason Pugh** (Skanska): Working Smarter through Systems Thinking  
**Christine Pasquire** (Nottingham Trent University): BIM - driving beyond design to a common understanding  
**Mark Worrall** (Brian Swain Ltd): Major infrastructure demolition improvement project utilising 3D modelling (Birmingham New Street station)  
**Keith Bennett** (Bourton Group): Building collaboration in Collaborative Planning - a workshop session  
**David Roberts** (VINCI Group): Lean Implementation at VINCI Construction - lessons learnt and future perspectives  
**Paul Doney** (Highways Agency): Deploying Lean - you might need your hardhat! (Challenges faced and lessons learned)  
**Nicola Bates** (Shepherds): The Evolution of Lean - A Contractor's 10 Year Journey

## Session 2

**Mike Putnam** (Skanska) - Keynote speaker 2: Title TBC  
**Zara Lamont** (Carillion): A Carillion case study 'Lean at the A23'  
**Matt Gilligan** (Performance Improvement Manager, Costain Highways Sector): Leaner Construction through Research Collaboration - Lean R&D carried out between Costain, the HA, LCI-UK & a number of universities  
**Lynne Hamilton** (Skanska): The link between Lean & Sustainability (including Green BIM)  
**Dr Paul Coates, Prof Lauri Koskela & Amit Kaushik** (Salford University): Target Value Design and BIM: Delivering the targets of Construction 2025  
**Brian Swain** (Brian Swain Ltd): Formula 1 process improvement: Reducing the time to move a dispersal bridge at Birmingham New Street station from 3 weeks to 1 day  
**Keith Bissett** (Bourton Group): Leading Lean - lessons from other sectors  
**Simon Dean** (Arup): Recognizing & eliminating waste at the design phase - a BIM leader's viewpoint  
**Simon Murray** (Acumen7 Network): Lean Production and the Digital Economy  
**Kevin Murray** (Ministry of Justice): The experience of the MoJ in implementing new forms of construction procurement, and how this is shaping our direction of travel

## Session 3

**Graeme Shaw** (TfL) - Keynote speaker 3: Title TBC  
**Zara Lamont** (Carillion): So What's holding Lean Implementation in Construction back?  
**Susan Fitzpatrick** (Skanska): The use of BIM to accelerate learning during railway possessions  
**Richard O'Connor** (Brian Swain Ltd): Visual Management mission rooms in major projects  
**Ben Haldin** (Fulcro): 3D & 4D modelling supporting lean deployment - a modeller's perspective  
**Rob Preite** (Bourton Group): Linking Lean and BIM - Presentation/discussion session  
**Matthew Lugg** (Mouchel) & **Steve Godwin** (Habanero): Transforming Local Highway Services using the HMEP LEAN toolkit  
**Prof. David Mosey** (Centre of Construction & Dispute Resolution): Lean and the law - integrating lean with contractual collaboration under Two Stage Open Book  
**Andy Fielding** (Performance Manager, Costain Water Sector): Lean Liverpool - Lean Leadership and BIM aspects from Liverpool Water Treatment Works  
**Paul Massey** (Future Learning Systems): Introduction to the LCI-UK Lean Construction e-learning courses, and the LCI-UK members' online portal
